Wiele rodzajów biurk, stoły, kontenery, przystawki i ścianki działowe zapewniają wysoką funkcjonalność systemu, spełniając wymagania użytkowników. Poziome i pionowe prowadzenie okablowania występujące standardowo w biurkach Proxy oraz opcja biurk z regulacją wysokości, dodają meblom funkcjonalności.

The diversity of the desks, pedestals, accessories and screens guarantees high functionality within the range satisfying any requirements. Horizontal and vertical cable management, standard in PROXY desks, and availability of height adjustment ensures the applicability of this range to any office space.

Die unterschiedlichen Schreibtische, Container, Ansätze und Trennwände garantieren eine hohe Funktionalität des Systems und erfüllt die hohen Ansprüche des Benutzers.

Door de verschillende op- en aanbouwelementen, ladeblokken en scheidingswanden is er voor alle inrichtingen een goede oplossing. Horizontale en verticale kabelmogelijkheden, wat standaard is bij de Proxy bureaus, en de optionele in hoogte verstelbare bureaus, maakt het nog functioneler in kantoorruimtes.
